Membership shall be appurtenant to and may not be separated from ownership of any lot or other land which is subject to assessment by the Association. Ownership of such lot or other land shall be the sole qualification for membership.

## **ARTICLE SIX VOTING RIGHTS**

The Association shall have three (3) classes of voting membership:

Class A. Class A members shall be all owners of single-family residential lots with the exception of the Developer, as defined in the heretofore identified Declaration. Class A members shall be entitled to one vote for each lot in which they hold the interest required for membership by Article Five. When more than one person holds such interest in any lot, all such persons shall be members. The vote for such lots shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot, except as hereinafter provided for Class C voting rights.

The Class C member shall be entitled to five (5) votes for each 5000 square feet, or major fraction thereof, of developed multi-family residential or commercial floor space comprising units upon land in which the Developer holds the interest required for membership by Article Five. The Class C member shall be entitled to one hundred (100) votes for each acre or major fraction thereof Developer Owned Acreage, as defined in the heretofore identified Declaration, in which it holds an interest required for membership by Article Five. Class C membership may be converted to Class A or B, as appropriate, in relation to any parcel or parcels of property at any time, at the option of the Developer, by the delivery of written notice to the President of the Association, and shall in any event cease to exist, and all lots and other land owned by the Developer shall become the subject of Class A or B membership, as appropriate, on January 1, 1994.

The number of directors elected by each class of members and the duration of the terms of directors may be changed by amendment of the By-Laws of the Association. Any director may be removed from office as provided by the By-Laws of the Association, and in the event of such removal at the creation of a vacancy through other cause, the vacancy created by the Board of Directors shall be filled as provided by the By-Laws of the Association.
