**Photos:** Photos of any type of vandalism should be brought in to the office or emailed to Ed Jasinski, Neighborhood Watch Coordinator. Photos will be logged in the Neighborhood Watch database but not made visible to the public. One exception may be common ground photos at the board's discretion only.

**Raintree Lake** is starting a Neighborhood Watch Program and we are asking for your participation. We are looking for volunteers to be block captains and we hope to have every block in Raintree covered! As neighbors, we need to keep an eye out for each other and for our neighborhood. If you see a suspicious vehicle on your block, get the license number. The vehicle may be casing homes and your information may prevent a home burglary somewhere else in Raintree. This program is all about awareness! If you see something suspicious, please call the police first with your information, and then call your block captain or the RLPOA office. If you are concerned about retaliation, or just don't want to get involved, make it clear with the dispatcher that you do not want to be contacted by the officer. If the officer makes contact with a possible suspect, they will not reveal your name. You can go to the Raintree Lake website for more information on crime prevention and see what is happening with the Raintree Lake Neighborhood Watch Program.

Please Report any Incident to the L. S. Police (969-7500) First! We don't want to know about Raintree violations. After you have contacted the police, then call the RLPOA office. Then fill out this form and get it to your block captain or the RLPOA office.
