An outline of all the proposed activities for 2005 along with the budgeted amount for each activity was looked at. Volunteers signed up for activities they wished to be involved with.

It was proposed that the Raintree at Wizards event be cancelled for lack of interest and replaced with a spring adult mixer at the clubhouse.

Several events were discussed in detail to include ways in which we could improve them. A lot of great ideas were discussed.

The following events still have no coordinator:

Fishing Derby 5/30/05  
Teen Swim 7/22/05  
Halloween Party 10/30/05

I will work on getting a report to you with all the events and the volunteers for each event along with the dates and budgeted amounts. This will assist the office staff in routing questions from residents.
