

An Activity Committee Meeting was held on Wed. Sept. 14, 2005 at the clubhouse. Those in attendance were:

Rhonda Masters

Dave MacQueen

Rose Marie & Joe Walters

Maureen Johnson

Brenda Miller

Final plans were made for Oktoberfest. The Halloween party was briefly discussed. The 2006 Activities budget was completed with the addition of an adult poolside party. It was decided to cancel the October activities meeting as there would be no items to discuss and we would next meet in November to finish plans for Breakfast with Santa.

Rhonda Masters will be contacting you with our final budget for 2006, she is also going to contact the office for a note be in the October Shorelines indicating there would be no activities committee meeting.

Thank you,

Brenda Miller
