

An Activities Committee meeting was held on June 6, 2003 at the clubhouse. Residents attending:

Tim Miller  
Rhonda Masters  
Dana Boies  
Sharon Baldwin  
Denise Hadley  
Maureen Johnson  
Trichelle Martin

Brenda Miller  
Lesa West  
Marian Zajic  
Duane Baldwin  
Amy Berry  
Diane Logsdon

A discussion was held pertaining to how the new committee was going to function. Residents had the opportunity to sign up for activities that they wanted to either Coordinate or assist with. The only event that had no commitment was the Teen Swim. The Fishing Derby was moved to Labor Day weekend.

The possibility was discussed of having a flier printed with a schedule of remaining events along with the Coordinator name and number so that residents would contact the Coordinator of specific events if they were interested in helping with an event. It is also necessary that a Coordinator be found for Teen Swim or the event will be cancelled. The suggestion was made that this flier be mailed out with the June statement of accounts as it was brought to the attention of the committee that residents were missing info in the Shorelines.

It was explained that the Board wanted to have a liason for the committee. There were no volunteers for that position.

It was explained that the Coordinators would need to submit a detailed report on the planning of the event to the Board with a copy to be kept in the RLPOA office for future reference.

Event planners for Summerfest discussed the event with plans being wrapped up. The only in-depth discussion centered around security for the event. The possibility of needing security was discussed as there is currently no agency contracted with Raintree to assist in covering the event. It was agreed that we needed to make some phone calls to price security possibly for overnight while tables/tents were outside and also the possibility that it would be a good idea to have some security visible during the Street Dance to insure the crowd stayed under control.

A follow-up meeting was scheduled for Wednesday, June 11<sup>th</sup> at the clubhouse for residents assisting with Summerfest. A rough draft of the flyer will be presented along with an ad for the Shorelines and pricing for security will be discussed at that time.
