Subject: Activity Committee meeting notes

Rachelle,

On November 10, 2004 we held an Activities Committee meeting at the clubhouse. Those attending were:

Maureen Johnson
Rhonda Masters
Brenda Miller

We discussed the Halloween event, pointing out a few things that we might change for next year. We also finalized plans for Breakfast with Santa. We chose dates for activities in 2005. We decided there was no need for a meeting in December. Rhonda will work on sending you the dates we chose for the activities, she will also get a note together to be placed in the January shorelines outlining activities for 2005 for which we have no coordinators for. This will require some new volunteers to step up or the events will be cancelled. Among those events are Halloween, Breakfast with Santa and Teen Swim. We discussed the sign-ups for the Fall Fest. We also looked over the money spent for 2004 and all indicators show that we will remain under budgeted amounts for 2004.

That about covers it.

Brenda Miller
