

Raintree View Meeting Notes
January 12, 2011

In attendance were Allan Dancy, Brenda Miller, Stan Spruill and Tom Tucek. San LaPoint was unable to attend.

Tom distributed the Lee's Summit regulations for parking areas and they were briefly discussed. Also discussed was potential locations for the various amenities in light of the Board decision to not allow "organized team sports activities".

A plot plan that was obtained from the City was distributed and each member was instructed to develop and sketch a plan for amenity locations for discussion at next meeting.
