

Irrigation Committee

1st meeting – April 4th 2013

MINUTES

Committee members present:

Tom Atkins

Brian Ratigan

Ken Crawford

Tim Nydegger

A discussion was held about the purpose and agenda of the committee.

The purpose is to gather information about this issue and compile it in a format to assist the board in further discussion of this matter. All residents are welcome to attend, as we would like input from everyone to be sure we have included all concerns. The agenda at the next meeting will be to compile a list of concerns so they can be addressed individually by the committee. There is no timeline for completion, and as new concerns are raised, we will adjust accordingly. Next meeting is scheduled for April 16th at the clubhouse.
