

Verification Process for a boat that has never been on Raintree Lake

Resident must provide title, registration or bill of sale to verify ownership of watercraft.

If you have not taken a safety test, this will need to be done in the office. If you have never watched our Raintree Water Patrol video (new residents) then this must also be done. It takes about 15 minutes for video and 30 minutes for the test.

FOR MOTORIZED: Please have your insurance carrier provide us a Policy declaration sheet showing at least 100,000 minimum liability insurance with Raintree Lake Property Owners Association with the address added of 825 SW Raintree Drive, Lee's Summit, MO 64082 as an additional interested party. This allows the insurance carrier to notify Raintree Lake if the policy is cancelled.

FOR NON-MOTORIZED: Please have your insurance carrier provide us a copy of your Home Owners Insurance policy showing the policy # and the coverage dates.

Our fax number is 816-537-5621 or email to Office@rlpoa.com

After these items have been submitted to the RLPOA office we will create an application for stickers and a verification form for the Water Patrol to inspect your watercraft. Please allow 5 business days before setting up an appointment with the Water Patrol to have your boat verified. (Water Patrol # 816-520-3893 or 816-537-7576.)

PLEASE NOTE: PWC's do not need to be verified. Non-motorized boats ie: canoes, kayaks, paddle boards, paddle boats and non-towable floating device also do not need to be verified.

Motor boats, pontoons, sail boats and any vessel with a trolling motor would need to be verified.

Once the Water Patrol has verified your watercraft, it will be transferred to the office staff and you will be able to come in and get your stickers.
