

Raintree View Meeting Minutes
September 9, 2015

The committee met at the clubhouse at 7 pm. Present were San Lapoint, Stan Spruill, and Allan Dancy. Brenda Miller was absent due to her father's illness.

A discussion was held on the location of the planned tree farm in which seedlings would be planted and used wherever needed. The area west of Ward road is a desirable location and the maintenance property on 163rd street also has possibilities. Some of the seedlings will be obtained from Mo. conservation commission, others will come from the Arbor Day foundation and possible other sources.

The budget for 2016 was discussed. Although the committee has outlined in detail the improvements planned for Raintree View, the projects have never been assigned a time frame. The committee will attempt to project desired expenditures for 5 years, 10 years, and beyond.

An additional swing for the playground was discussed. All agreed it would be nice to add if money can be found for it.

We had planned a safety inspection of the playground but dark came too soon. We agreed to schedule a special meeting in the near future to inspect and document.

There being no further business, the meeting adjourned at 8:30 pm. The next scheduled meeting will be October 14, the clubhouse, at 7 pm. Everyone is welcome to attend.
