

POND COMMITTEE MEETING, APRIL 21, 2022

Members Present: Roger Sense, Judy Cheek, Darlene Sowell

Judy has surveyed the ponds for benches, concrete pads for the benches, and trash cans. She will also survey for a need for trees by those benches.

We have requested documentation from Josh concerning the qualifications/requirements for a potential concrete vendor for the trails. We also discussed planting trees by the pond benches and, again, have asked Josh for advice on this and how we would enlist Tara's help.
