

RAINTREE VIEW COMMITTEE
7/13/22

The Raintree View Committee met at the clubhouse on 7/13/22 at 2:00 PM. In attendance were San LaPoint and Brenda Miller.

Discussion centered around the 2023 Budget. San is going to fill out the 2023 Budget Request Form, attach documentation and submit it for review.

It was also discussed where to install the (2) 46" picnic tables and 1 trash can that is currently in storage. It was decided that it would be a good idea to place them within a "sleeve" installed in concrete if at all possible, so that it could be easily moved if it interfered with future installations. Best areas of placement would be within 10' of current benches to remain in the shade in early afternoon. The trash can would be placed in the same manner as the tables, and within 10' of the current handicap accessible parking spots.

We verbally discussed placement of the tables with Rachelle, Josh and Daniel. Staff recommended placement of wood chips beneath both tables to assist in weed control.
