

POND COMMITTEE MEETING FEB. 16, 2023

Members Present: Roger Sense, Darlene Sowell

Josh Cresswell also attended

Hidden Cove Pond: We discussed the bubbler that will be placed in Hidden Cove Pond. Josh advised that he will "test" floating gardens in the pond using generator pads that can be purchased at a reduced price from a vendor.

Turtle Dove walking trail: The Committee plans to use the reserve funds that have been budgeted over a 2-year period for a trail at Turtle Dove Pond. When weather permits, we will walk the proposed trail with Josh before he proceeds with bids etc.
