

RAINTREE VIEW COMMITTEE  
MINUTES OF MAY 18, 2023 MEETING

The Raintree View Committee met on May 18, 2023 at 1:00 PM at the clubhouse. In attendance were San LaPoint, Rachelle Vandiver and Brenda Miller.

We discussed the 2024 Budget request and talked with Rachelle Vandiver, General Manager, regarding what might be of interest at the View.

We decided on requesting \$25,000 for Future Reserves from the 2024 Budget.

We decided to work on plans for a small Disc Golf Course and 2 sets of Horse Shoe Pits in the designated "open area" of the Raintree View. San was tasked with getting plans and estimates for the Horse Shoe Pits and Brenda was tasked with plans for the Disc Golf Course. We are hoping to spend an estimate of \$2,000 to complete both projects during 2023 out of our reserve funds. After gathering our plans, specs and estimates we will advise the Board of Directors of our intentions.
