Welcome Baskets: An Opportunity for Advertisers

Are you a resident who would like to advertise the products or services offered by your company? Consider adding an item to our Welcome Basket that would contain your logo or information regarding your business or product. There is no cost to you to add something to the basket.

New residents to Raintree typically receive a Welcome Basket when they come visit the office for the first time. The Welcome Baskets contain things like koozies, cups, key chains, toothbrushes, pens, coupons, lotion, hats or visors, magnets, ads for local businesses and at one point we even had bar-b-que sauce! You never know what might be included!

Would you like to add something to our Welcome Baskets to advertise your business? Bring your item(s) by the office during office hours.

**Activities Committee

Boating, Water Sports and Fish-
ing Swap Meet!**

**FREE STUFF!! and/or SELL
YOUR STUFF**

On **Monday, June 17** in conjunction with Food Truck Night, the Activities Committee will be sponsoring a Swap Meet! The Event will start at 4:30 and end at 9:00.

STUFF TO GIVE AWAY! This is a great opportunity for Raintree residents to pass along gently used boating, water sports and fishing equipment to others who might love to have it!

FREE STUFF!! Those residents in search of lake adventure gear can participate and help their neighbors declutter! What a great way for our community to reuse, recycle, renew and not add to our landfill.

Information for Donations: Drop off your gently used boating, water sports and fishing equipment in the open area northwest of the Clubhouse at **3:30 on 6/17**. We will have tables set up. Items in this area will be free to other residents. **Remaining items should be picked up at the end of the evening. Any items remaining at 9:00 will be donated to Red Racks Thrift Store.**

STUFF FOR SALE: If you have items that you would like to SELL, bring a lawn chair, and set up in the same area. If you are selling an item, you are responsible for staying with the item and working out the sale price, logistics etc.

Volunteers Needed - please email Beth at btodd0320@sbcglobal.net to help.

Calling all Raintree business owners. We are bringing back vendor expo during our summer food truck nights. We have three spots for each of the food truck nights to showcase your business products and/or services with fellow Raintree residents. This is a free

opportunity open to Raintree resident business owners only. You must provide your own table and set up by 4:00 p.m. We ask that you stay through the duration of food truck night which is until around 7:30 p.m.

To secure a spot, email Lisa.Beckerle@gmail.com. Spots are on a first come basis.

Does your I.D. card need to be updated?

Help us prepare for another busy spring and summer season by checking to see if your Membership ID card needs to be updated. **Below are two reasons your ID card might need to be updated:**

REASON #1: Your child's ID card is over 5 years old.

They will need to have their card updated before pool season in order to continue to use the amenities.

REASON #2: You have a child who is now over the age of 21

They will need to update their ID card and provide proof of residency in order to continue to use the lake amenities. Acceptable forms of proof are a valid state driver's license, state issued ID card, or bill.

Simply bring in your outdated card, we will take a new picture and print you a new one, free of charge. If you have a new grandchild in the family or recently changed your phone number, just call or email the office for those updates. If you have any questions, please email admin@RLPOA.com or call the office at 816-537-7576.

We will be scheduling video interviews once we receive and review your application.

Rules for “Boats in Driveway”

At the Annual Meeting, residents voted to allow watercraft and their boat trailers to be parked in the driveway from April 1 through October 31st. These will be voted on annually at our Annual Meeting. A few rules to follow:

- ◆ Watercraft has to be in **operable condition**
- ◆ Bearing a current **Raintree Sticker**
- ◆ Resident must be in good standing

The Board wants you to be aware that you should **secure any items that may be stored in your watercraft**. With the potential of theft, do not give them easy targets. Secure your valuables! Watercraft that are inoperable, not allowed on Raintree Lake, have no current sticker, are not “boat trailers” or being used for boats, the 72 hour rule will be enforced. If you have any questions, please contact the office.

Procedures for Residents with NEW and USED WATERCRAFT for Raintree Lake

If you have a new motorized watercraft please get your title, registration or bill of sale with a copy of your declaration page for your insurance into the office as soon as possible. The insurance declaration page needs to have RLPOA as an additional interested party with our address of 825 SW Raintree Drive, Lee’s Summit, MO 64082. The turn around time frame will be up to 7 days as this is a busy time of the year and there are several steps in getting it registered. Make sure you have taken the safety test and watched the safety video if you are a new watercraft owner. If you have sold a watercraft, please let us know that as well. New watercrafts to the lake need to go through the water patrol for inspection. Our water patrol will call you to set up an appointment once we have all of the information needed to start your application process.

If you have new non motorized watercrafts, you will need to fill out the application Non-Motorized Application Form. Fill out a form for each one that is new to the lake only. Residents with existing non motorized watercraft, from last year, will already have an application waiting for them in the office. A copy of your declaration page of your HOMEOWNERS INSURANCE will be required in order to get these stickers.

NEWS FROM THE GARDEN CLUB

March's Garden Club meeting was GET TO KNOW OUR MEMBERS NIGHT. It was hosted by Cindy Smith and Margaret Legel. See the pictures below. Each member had to bring a photo of something and tell about it and what the picture means to them. What a fun night it was with delicious food and beautiful decorations.

There is not a Garden Club meeting in April however, we will be shopping and planting flowers for our favorite pot from home when we visit Creekside Market & Greenhouse on April 17th.

The Garden Club will have a painting booth again at Summerfest June 29, for kids to paint rocks that they will get to keep and take home for their own gardens.

Remember these dates: April 26th - May 5th to (Mon - Sat 9a-5p; Sun 10a-3p) Visit and Shop at Creekside Greenhouse @ 800 E. Walnut (58 Hwy) in Raymore for the 6th Annual Spring Plant Sale/Fundraiser. Please mention you are supporting the **Raintree Lake Garden Club prior to checkout**. A generous portion of the sale proceeds will benefit the Raintree Lake Garden Club in their continuing efforts to beautify our neighborhood.

BIG SHOUT OUT to Jeff King who has volunteered and completed the Duck Pond garden area clean up project.

Here are some tips for hanging a hummingbird feeder:

Location

Place the feeder somewhere you can see the hummingbirds, such as near a window, on the edge of your porch, or in a hummingbird garden. You can also hang it from a gutter, awning, or gazebo.

Shade

Hang the feeder where it will be shaded during the hottest part of the day, when nectar will ferment faster.

Cover

Place the feeder 10-15 feet from a tree, shrub, or other hiding place, which gives hummingbirds a place to rest and stay out of the sun.

Perches

Provide perches near the feeder, because hummingbirds like to perch between sips and guard "their" feeder from intruders.

Space

The feeder should have enough space for hummingbirds to maneuver comfortably around it.

Safety

Hang it high enough so cats and other predators cannot jump and attack.

Private

Hummingbirds are known to be territorial and will avoid feeders where larger birds are active
