

Lake Committee Minutes June 3, 2024

In Attendance: Dan Stacks, Rich Richardson, San LaPoint, Barb Garton, David Sinclair, John Mulvihill, Scott Chambers, Jess Hartter, David Campbell, Brian Mitchell

Meeting called to order at 7:00 pm

May minutes

- San notes that a review of the kayak approval by the board is to occur after one year
- San motions approval, Brian seconds, the vote is unanimous

Board meeting / Work session update

- Presented by San
 - Board selected a new member, Charles
 - By law changes were presented
 - Tow bar to be added to the rental pontoon
 - Three dock bids were received

Old Business

- Dock Specification Review
 - Three bids were received and reviewed
 - Sizes in the bids meet the specifications
 - Recommended to work closely with Macs Docks to fully understand the bid
 - The Lake Committee continues to recommend single well dock configuration
- Safety Reminders
 - Please close the ramp gate, unless there is a boat/trailer preparing to launch
 - Do NOT follow boats towing a watersports participant
 - Be on the lookout for watersports participants in the water and maintain a safe distance from them
 - Be courteous to skiers using the slalom course. Avoid wakes in the course area when the course is in use
 - Be courteous to fishing boats, and avoid large wakes in areas where fishing boats are operating
 - Do not fly the orange flag if a participant is not present or swimmers in the water

New Business

- N/A

Bouy Placement

- Brian motions- To be consistent with Watercraft in Motion rules the Lake Committee recommends the buoys at O, P, Q docks be relocated to 100 feet from the end of the dock.
- Online rules this is Section VIII item 1, b
- Placement any further out creates a choke point and restricts the safe flow of traffic
- Jess seconds

Buoy Replacement

- Jess recommends replacing the missing No Wake buoy at Champagne point

Round Table

San

- Fish study report will be available in 3 – 4 weeks

David Campbell

- Brown and White surf boat not following the traffic flow rules, did not get the number
- Electrical problems persist on J & K docks

Dan

- I have observed unsafe boating with following too close to other boats and watersports participants

Meeting was adjourned at 8:13 pm

Motion to adjourn. Jess motions, Dan seconds, vote is unanimous

7:20 pm the meeting is adjourned.
